

JFS CHILDREN'S CLOTHING CLOSET

Since Creation

Established 2016

8 Events

100+ Families

5,000+ Items of
Clothing

Mission

Jewish Family Service (JFS) of Metrowest Children's Clothing Closet's mission is to provide a seasonal response to the clothing needs of the elementary school aged children in the Metrowest community, with a specific focus on the most economically challenged schools within Framingham.

Current Operational Model

Customized Packages: Ready to Wear

Pop Up Shops

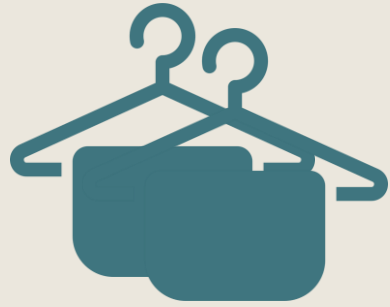

Emergency Needs

Ready to Wear

- Each season Reducing Achievement Gap families will receive an order form where they can choose the items that they are most in need of.
- Orders will then be packed by volunteers based on order forms submitted by families.
- The orders will be distributed on a set date at the Woodrow Wilson School, using a similar style to our Healthy Harvest pick-ups.

Pop Up Shops

- A minimal number of Pop Up Shops will be held each year. These events will be open to a larger population in order to publicize the Children's Clothing Closet as well as provide clothing to a broader population.
- These events will take place during times of large season change over, with enough to still utilize the clothing that individuals are receiving.
- Currently our main host site for these events will be Framingham Adult ESL Plus.

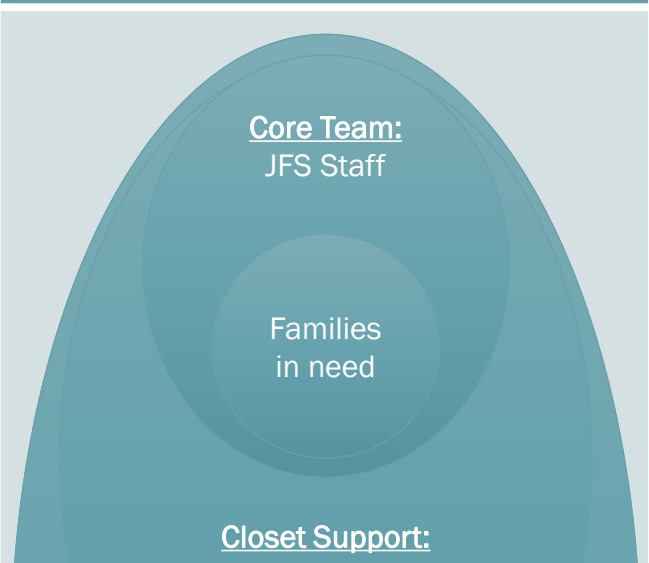

Emergency Needs

- A basic supply of clothing will be kept on sight at both the Woodrow Wilson Elementary School and the Brophy Elementary School.
- The clothing supply will consist of one moveable rack containing seasonally appropriate clothing in a variety of sizes.
